Details of the Library/Equipments/Activities

   A. Building

   1. Basement floor (755 sq. mt.):

- Media Library (facilities of Video conferencing, recording, lecture room, Swayam DTH, LED TV, White Board, 40 chairs, table)

- Digital Library (building Institutional Repository of student project reports, dissertations, patents,faculty publications, news and media clippings of the University; Library Server's management Software; VECD Repository of workshop video and audio recordings, photographs, materials for support to members doing deep study; Local Software development; Local central Storage of library operations and management; Library Server Backups; managing websites; social media marketing of library services and announcements of activities.

- Staff Reading Room cum Makerspace for students to make and learn with collection of books of Make series, ardinuo, raspberry kits, various modules useful for student projects and components and accessoriesnecessary for learning engineering, with worktable, storage cabinets, electrical points and about 20 chairs and also acoustically taken care of.

- Reprography section with photocopying, printing, scanning facilities with computer and internet

- Stack section of Masters collection - MBA, MCA, IMBA, ME Programmes, BBA, BCA, General Collection – 265 racks & 36 wall cabinets

- Reference & Print Periodical Section -Housing reference books, Competitive Examination preparation collection, Periodical archives and print periodicals (approx. 300 in nos);

- Reference desk, Computers and scanning facilities.

- Seating/ Reading Area –30 tables 120 chairs

2. **1st Floor (712 sq. mt.):**

- Check-in/ Checkout counter with PC and Barcode scanner;
- Circulation counter with storage facility and 4 PC's with Barcode scanners;
- E-Library with 30 PC's along with Headphone facilities
- Technical Processing Room with storage facility and processing tables; Library Staff Work Tables for cataloguing and classification using 23rd ed. of DDC schedule
- Multimedia storage facilities about 4 drawer cupboard-
- Stack area to store UG collection of text and curricular – 152 racks and 24 wall cabinets
- Display and navigation facilities have been created for ease of use
- Seating area (21 tables and 84 chairs)
- Librarians Chamber with storage facility
- Newspaper reading section with newspaper stands and seating area for 8 members
- 4 OPAC PC's for searching the catalogue of the Library Collection

3. **2nd Floor (755 sq. mt.):** Reading Room and Learning Commons has the following facilities:

- Common Reading Area with 45 Tables and 180 chairs
- Group Study rooms 6 in number with Laptop charging facilities; Table and 6 chairs per room = 36 seating facility
- Individual study carrels - 36 with laptop charging facility and table lamps

- Coffee Shop - with a counter along with storage facility, Refrigerator, Oven and hotplate; also stands to server tea/coffee and dry snacks

4. **3rd Floor (755 sq. mt.):** Pharmacy Library and Reading Room

Pharmacy Library with the following facilities:

- Check-in counter,
- property Counter,
- E-Library with 10 PC's,

- OPAC machines 2 Nos,

- circulation counter with card and file storage facilities, 2 staff seating facility

- Stack area with 28 racks and 18 wall cabinets,

- Reference collection and periodical archive storage;

- Seating/ reading area with 21 tables and 104 chairs.

- Librarians chamber with file storage and guest seating area

- Faculty reading Area with 4 seating capacity

- Periodical display cum storage racks - 2 with 24 capacity

- Reading Room with 71 tables and 284 capacity; Staff / supervisor counter with PC and Check-in/ checkout facility with barcode scanner

5. Science Library (625 sq. mt.)

- Check-in/ Checkout counter with PC

- Circulation Section with 4 staff seating area with PC Barcode scanners

- Periodical display cum storage section

- Multimedia storage section

- Stack area – 364 display cupboards & 37 storage cupboards

- Newspaper reading area

- Reference section

- Reading/ seating area – with 32 tables &128 chairs

- E-library with 17 PC's

- Technical processing room with storage facility

- Reprography section with scanner, photocopier &printer

- Property Counter

- OPAC PC's 2 in nos.

- Librarian Chamber with PC

Common to all floors

- Central Air Conditioning; CCTV surveillance; Monitoring Facility; Property counter

- Drinking water facility and restrooms are available on each floor outside the library.

B. Computer / Communication Facilities

1. Hardware

Library Servers

COMPUTER SYSTEM

3	Seagate	2	Local sharing and live server backup	2 TB
4	SONY	1	Library database backup	1 TB

2. Software

2.1 Library Website

Sr. No	Name	Purpose
1	Library Landing Page	To know detail about website
2	Library Detail Website	brief detail about library resources
3	Book talk Website	it contains details of book talks with photograph conducted by faculty & student
4	EOG Website	it contains details of EOG workshop conducted so far with photograph
5	IUCEE Webinar Directory	it's an institutional directory of IUCEE webinar conducted so far
6	NBA Detail Page	it contains detail about NBA with material

2.2 Library Management Information system

Sr. No	Name	Purpose
1	LLC MIS System	it manages overall system of library and generates report
	Acquisition System	it manages acquisition section of library
	Stock Verification System	Using SV System staff can do stock verification
	Data Correction System	It provides to update and correct the data related to books
	Circulation Management System	it provides overall report of circulation system
	Periodical Management System	it manages and keep track of pending and received periodical
2	LLC Report System	it generates overall report of library usage
	Hourly Report	it generates hourly report of library usage by user
	Daily Report	it generates daily report of library usage by user
	Weekly Report	it generates weekly report of library usage by user
	Monthly Report	it generates monthly report of library usage by user
	Yearly Report	it generates yearly report of library usage by user
	Library Collection Report	It generates overall collection report of library year wise and department wide

3	Library Staff Log System	It maintains daily work of library staff
4	Faculty Detail System	It provides the detail of library facility usage by faculty
5	Periodical Management System	it manages and keep track of pending and received periodical
6	Journal Management System	It displays the archive of the past magazines and journals issue
7	Serial Management System	To manage the periodicals issues.

2.3 Library Repository

Sr. No	Name	Purpose
1	Dspace	DSpace is a digital service that collects, preserves, and distributes digital material.
2	Calibre	Calibre is an offline E-book management software to download the e-book.

2.4 Library Search interface

Sr. No	Name	Purpose
1	AITS Library	To search books available in AITS Library
2	AITSDS Library	To search books available for diploma studies
3	AIP Library	To search books available in AIP library
4	VSC Library	To search books available in VSC Library

2.5 Library Union Catalogue

Sr. No	Name	Purpose
1	Library Union Catalogue	Interface to search all institutional library at one place

2.6 Library patron tracking

Sr. No	Name	Purpose
1	Visitor and patron tracking system	Interface to track the visitors.

2.7 Library Data Analytics

Library Data Analytics Tools		
Sr.No	Name	Purpose
1	Google Bot Master Console	For crawling of updated content
2	Google Web Master Console	For crawling of updated content
3	Google Tag Manager	To create metatag for individual website of library
4	Google Analytics	To see overall usage of library services provided online
5	Youtube Video Manager Analyitcs	To keep track of visitor watch
6	Yahoo Bing Master	For crawling of updated content

- Landline Phones: 8
- Mobile phones: 4
